## IEP MESSAGE

Proceeds from this year's event will once again benefit the **IEP Youth Services, Inc.** a private, non-profit social service agency, which has provided residential, psychological and social services to more than 2,600 troubled teens over the last 23 years. Project Open House (the Monmouth County Juvenile/Family Crisis Shelter) serves youngsters from Monmouth County; Project KIN (a network of therapeutic host homes) serves youngsters from throughout the State of New Jersey; and Project Stepping Stone, Supervised Independent Living for aging out youth.

Through these services, **IEP** seeks to promote community stability, to combat juvenile delinquency and to help our young clients grow into responsible, productive adults. The children need us; and we need you to help us help them.
