INVITES YOU TO ATTEND

“BRUNCH FOR BETTER YOUTH”

SUNDAY, MAY 15, 2011 9:30 AM -2:30 PM
TURNING POINT Manalapan 55 Highway 9 South

IEP Youth Services is a charitable 501(c)(3) not-for-profit social services agency which provides residential, social and psychological services to youth between the ages of 8 and 21. Referrals come from the Family Crisis Intervention Unit (FCIU) and the Monmouth County Family Court Judge, as well as the various youth case management agencies in the state of New Jersey. The referrals are made for many different reasons, including abuse, neglect, behavioral issues, addiction, lack of a safe home in which to live or homelessness. IEP’s programs provide a range of services for the youth we work with, but in all cases IEP provides a safe, nurturing environment, counseling and the resources for self-improvement. In addition, youth who are 18 or older and will be homeless after their state funded care ends, can now learn appropriate life skills while residing in a supervised independent living apartment.

In the years since IEP Youth Services opened its first program in 1986, over 2,550 youngsters have been served. We work to help all of our clients understand that they have the ability to reach their goals and bring love and order into their lives.
